**Joint agreement  
about the  
standing working groups (WG) of ANME**

**Aims of the WGs:** Every WG deals with a specific topic. The WG should support the Board and individual members. The increasing amount of news, questions and knowledge about CAM-topics are the crucial working-material of the WG. ANME should be able to react more concrete and faster to the public demanding. Therefore every WG should be a pool or Think-Tank for the Board.

**Language:** English

**Status:** The WG is not open for the public. ANME-members could participate if the coordinator agrees with.

**Profile of the Coordinator:** Each WG has a coordinator. The coordinator should dispose about a professional fundament. He/she is responsible for communication: a) inside the WG and b) in contact with the Executive Board. The coordinator collects mail-addresses and decides about the communication form (mailing, Skype, face-to-face meeting, etc.) inside the WG.

The coordinator should initiate and continue the working process. He/she should also present results or questions to the Board.

**Current WGs:** All WGs are standing groups; there is no limitation of time.
